

Carrie Sandom's Book Suggestions
Women in the Word 2015

The best Bible handling books I've come across are . . .

Dig Deeper: Tools for Understanding God's Word
Nigel Beynon and Andrew Sach, published by Crossway

Dig Even Deeper: Unearthing Old Testament Treasure
Andrew Sach and Richard Alldritt, published by IVP UK

Books that help to develop a Biblical theology are . . .

God's Big Picture: Tracing the Storyline of the Bible
Vaughan Roberts, published by IVP

Gospel and Kingdom: A Christian Interpretation of the Old Testament
Graeme Goldsworthy, published by Paternoster

Remaking a Broken World: The Heart of the Bible Story
Christopher Ash, published by Authentic Media

NOTE: All these books can be ordered from Amazon, even if out of print.
Some of the publishers have very few copies since some titles have
not been reprinted in a while.
